

NaNo Space Bingo 2016

Need some extra motivation to hit that 50,000 word goal? Go for **five spaces in a row** to get bingo, or if you're really motivated, go for total blackout. Show it to your ML for a high ve and maybe even a small prize!

Based on NaNo Bingo by M.K. England | 2016 Charlottesville VA ML | www.mkengland.com | @GeektasticLib – see <http://mkengland.com/nano-printables-2016-edition/>
